**Current Observation:** Search engines currently have limited descriptive information linking your website to your primary service area (your area).

**Business Impact:** Ensures prospective clients searching for services in your area can easily discover and click on your website from Google search results.

### 3. Elevate Visual Presentation & Brand Proof

MEDIUM

E-002, E-009

**Business Impact:** A modern, high-contrast visual design creates a memorable first impression and positions your business as a market leader.

👉 **Recommended Action:** Deploy high-contrast headlines, clear primary call-to-action buttons, and structured visual cards to showcase your best work.

### 4. Standardize Google Heading Structure

MEDIUM

E-007

**Current Observation:** Page headings and structure tags can be enhanced to give search engines a clear understanding of your core offerings.

**Business Impact:** Clear heading hierarchy helps search algorithms properly categorize and rank each of your service offerings.
