2. Top High-Impact Commercial Opportunities

The most impactful improvements selected from audit evidence to accelerate customer inquiries and trust.

1. Add Direct Inbound Contact Triggers

HIGH

E-017

Current Observation: Mobile smartphone visitors currently have limited one-tap options to initiate immediate phone or message inquiries.

Business Impact: Providing direct contact options allows prospective clients with immediate intent to connect without navigation friction.

👉 **Recommended Action:** Place a visible "Call Now" button in the header and integrate a direct WhatsApp inquiry widget for mobile visitors.

2. Optimize Search Visibility for Global / San Francisco

HIGH

E-018

Current Observation: Search engines currently have limited descriptive metadata associating the website with Global / San Francisco.

Business Impact: Clear geographic signals help prospective clients searching for services in Global / San Francisco identify and discover the business.

👉 **Recommended Action:** Incorporate "Global / San Francisco" naturally into the primary page title, meta description, and contact section.

3. Elevate Visual Presentation & Brand Proof

MEDIUM

E-002, E-006, E-014

Current Observation: The current layout has an opportunity for stronger headline contrast, distinct action buttons, and modern section spacing.

Business Impact: A clean, high-contrast visual design creates a polished first impression and reinforces professional credibility.

👉 **Recommended Action:** Deploy high-contrast headlines, clear primary consultation triggers, and structured visual cards to showcase craftsmanship.

4. Strengthen Page Heading Structure

MEDIUM

E-010

Current Observation: Page headings can be organized with clear H1 and H2 hierarchy to provide visitors and search algorithms with an orderly outline of core offerings.

Business Impact: Proper heading hierarchy improves content readability and helps search engines accurately index each service topic.

👉 **Recommended Action:** Ensure each page features one prominent primary headline (H1) followed by organized section headings (H2/H3).

3. Recommended Website Structure & Implementation Plan

Why These Improvements Matter

Prospective clients evaluate credibility quickly upon visiting a website. Addressing friction in contact channels, improving search engine summaries, and modernizing visual presentation helps ensure visitors can easily find relevant information and make direct inquiries.
