Multi-Page Information Architecture Discovered and verified 2 accessible sub-pages covering core business offerings and company information.	OBSERVED • E-002, E-003, E-004

2. Top High-Impact Commercial Opportunities

The most impactful improvements selected from audit evidence to accelerate customer inquiries and trust.

1. Add Instant Inbound Contact Channels

HIGH

E-018

Current Observation: High-intent visitors on mobile smartphones have limited 1-tap options to contact your team directly.

Business Impact: Adding direct call and instant WhatsApp triggers allows urgent buyers to connect immediately, preventing lost inquiries.

👉 **Recommended Action:** Place a visible "Call Now" button in the header and integrate a floating WhatsApp inquiry widget for mobile visitors.

2. Optimize Search Visibility for USA / Global

HIGH

E-019

Current Observation: Search engines currently have limited descriptive information linking your website to your primary service area (USA / Global).

Business Impact: Ensures prospective clients searching for services in USA / Global can easily discover and click on your website from Google search results.

👉 **Recommended Action:** Incorporate "USA / Global" naturally into your main page title, search description, and footer service area block.

3. Elevate Visual Presentation & Brand Proof

MEDIUM

E-002, E-006, E-015

Current Observation: The current layout has an opportunity for stronger headline contrast, distinct action buttons, and modern section spacing.

Business Impact: A modern, high-contrast visual design creates a memorable first impression and positions your business as a market leader.

👉 **Recommended Action:** Deploy high-contrast headlines, clear primary call-to-action buttons, and structured visual cards to showcase your best work.

3. Recommended Website Structure & Implementation Plan

Why These Improvements Matter

Prospective clients evaluate credibility within the first five seconds of landing on your website. Addressing friction in contact channels, improving search summaries, and modernizing visual presentation directly increases the percentage of website visitors who convert into qualified consultations and sales.
